**Service Acknowledgment – FAME Nursery Farm**  
*(Landscape Experts and Developers)*  
**Association Since 2012**

**FAME Nursery Farm**, under the leadership of **Mr. Anjum Maqsood Ahmed**, has been working with **Punjab Group of Colleges** since **2012**, contributing landscape services to several of our campuses and private properties.

Their scope of involvement includes landscape works at our **institutions in Gujrat, Gujranwala and Sargodha**, as well as both **residential farmhouses and institutions in Lahore and Islamabad**. From plant sourcing to on-site execution, **FAME** has carried out their responsibilities with consistency and care, meeting the specific needs of each project.

Our interaction with their team has been constructive throughout. They have shown dependability, clarity in communication, and a flexible approach suited to large-scale educational environments.

Based on our experience, we are pleased to suggest **FAME's** services to other organizations seeking assistance in landscape execution, planting schemes, or outdoor space development.

**Engr. Ahmad Husnain**  
Sr. Manager Projects  
Punjab Group of Colleges
