To whom it may concern

Dear Mr. Anjum Maqsood Ahmed,

I would like to appreciate the efforts of FAME for taking good care of the Margalla Hills Crash Memorial in regards to its landscape maintenance.

Your team and their efforts must be appreciated. In addition, your supervision, insight on matters and consultation has been of great value for airblue in accomplishing our goals.

We once again thank you for your efforts and you remain our first choice for Landscaping work as and when required.

Best Regards,

Ehtisham Iqbal
